Job Description: Aberdeen Hall Preparatory School provides excellent academics, athletics, arts and character education to 690+ Preschool to Grade 12 students. Our highly trained faculty receive mentoring and development opportunities to be leading professionals in their fields using cutting-edge classroom technology in a newly built inspiring campus setting.

We are seeking a full time Certified Early Childhood Education Teacher to our team.

- Certification in Early Childhood Education is required
- Along with a current first aid certificate
- Montessori training is beneficial, but not mandatory

The successful applicant will be responsible for providing childcare for a group of 8 to 10 students and will work within a team environment organising indoor and outdoor play activities. The candidate will also provide coverage for preschool and daycare teachers during their breaks

What sets us apart from other schools is an open and collaborative culture amongst our faculty and staff. We welcome applicants who like us are innovative, progressive, adaptable and passionate about raising the next generation to lead meaningful lives as contributing citizens to their communities.

Qualifications/Requirements:

- Certification in Early Childhood Education is required
- Along with a current first aid certificate
- Montessori training is beneficial, but not mandatory
