

Early Learning Framework Learning Circle

During the Community of Practices Early Learning Circles we will read the recently updated BC Early Learning Framework aloud and engage in discussions.

This is your opportunity to collaborate with other child care providers, share ideas, have confidential discussions, freely wonder, comment, reflect, question and be inspired.

- 1 hour Certificate of attendance provided per session.

Learning Circles will be offered monthly on 3 various dates, with topics generated organically through the discussions of the group. Sign up for all or attend one.

Please phone the CCRR office 250-762-3536 to reserve your space.
