Child Care Operating Fund (CCOF)

Child Care Operating Funding (CCOF) is provided to child care operators monthly and is calculated as a per-registered-child amount.

Child Care Free Education Initiative (CCFRI)

The Child Care Fee Reduction Initiative (CCFRI) is a subsidy to reduce fees for parents. The child care program "opts in" to the fee reduction program, and receives a set monthly amount per registered child, to offset tuition fees. This funding comes with strings attached, including the need to have child care fee increases reviewed and approved by MCFD.

ECE Wage Enhancement (WE)

The Early Childhood Educator Wage Enhancement is for ECE's, ITE's and SNE's working in licensed child care facilities receiving the CCFRI. It is provided for qualified staff, at the rate of \$2.00/hour, to a maximum amount of monthly hours worked by the Educator. Reporting is required, including the Educator's name, license number, rate of pay, and hours worked.
