

Central Okanagan Public Schools

Together We Learn

READY, SET, LEARN

EARLY LEARNING FOR FAMILIES

All elementary schools in the Central Okanagan Public School District will be providing Early Learning opportunities for families to build strong connections between home and schools. Research clearly indicates that when parents are involved with their children's education, their children do better. **Early Learning for Families events are usually held within schools however, some events will have an alternate format this year.**

The intent is to make early and meaningful connections with families of three-to five-year-old children. This wonderful Early Learning initiative is sponsored by the Ministry of Education.

Our ELFF/Ready, Set, Learn programs will include sharing, engaging and fun learning opportunities for families with young children and encouraging interactive play and curious conversation.

Please check the schedule for the dates that your neighbourhood school is offering this program and **please contact your school for the time of their event and instructions on how to register.**
If emailing the school, please put ELFF in the subject line.

Elementary School	Address	Phone #	Email Address	Event Dates
Anne McClymont Elementary	4489 Lakeshore Rd.	(250) 870-5133	ame@sd23.bc.ca	April 13, 2021
