

# May is Child Care Month

You see their smiles, you wipe their tears.

You are the one that's always near.

You hold their hands, you see them grow.

They learn so much from you, you know.

You keep them safe while they explore.

You are the one that they adore.

You know they need the time to play.

You keep them busy every day.

So here is a great big "Thanks!" to you.

For all the amazing things that you do!
